PROFILE

Aspiring Software Developer with a good foundation in programming, full-stack web development, and problem- solving. I have completed my B.Tech in Computer Science And Engineering. I'm Passionate about building scalable and efficient software applications. Seeking a challenging role in a growth- driven organization where I can utilize my skills in HTML,CSS, backend development, and AI to develop impactful technology solutions.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science Engineering (2021 – 2025)
Hooghly Engineering and Technology College, Hooghly
CGPA: 7.69

Higher Secondary Education (ISC - Class XII) (2020 – 2021)
Pearls of God, Hindmotor
Percentage: 87%

Secondary Education (ICSE - Class X) (2018 – 2019)
Pearls of God, Hindmotor
Percentage: 78.8%

PROJECTS

Personal Portfolio Website [HTML, CSS, JavaScript]
Designed and deployed a responsive personal portfolio website to showcase projects and resume. Utilized GitHub Pages for hosting and ensured cross-device compatibility.

Brain Tumor Detection and Classification System [Python, JavaScript, ML]
Developed a machine learning-based application to detect and classify types of brain tumors using image processing techniques. Integrated front-end for user interaction and Python backend for prediction using trained ML models.

Real-time Weather Forcasting App [HTML, CSS, JavaScript , API]
Detects the weather of your location and also can tell the weather of other country.

Real-time News provider [HTML , CSS , JS , API]
Provides the accurate and relatable news.

Technical Skills

Programming Languages: Java , C (Basic)
Web Development: HTML5, CSS3 , JavaScript
Database Management: MySQL, SQL (Basic – Intermediate Level)
Microsoft Office: Microsoft Word , Excel , Powerpoint

Interests

- Passionate about watching and analyzing sports, especially football and cricket.
- Played football actively for several years, developing strong team collaboration and strategic thinking skills.
- Regularly follow international tournaments and enjoy learning from professional gameplay.

Certifications & Achievements

- Completed CyberSecurity Internship at GlobSync Finishing School (Certified).

Language Proficiency

Bengali: Fluent (Professional Proficiency)
English: Intermediate (Working Proficiency)
Hindi: Native (Working Proficiency)

Long Term Goal

To continuously enhance my expertise in Web Development and Artificial Intelligence, contribute to innovative global-scale projects, and eventually lead high-performing software development teams in a tech-driven organization.

Declaration

I hereby declare that all the information provided above is accurate and true to the best of my knowledge.
